Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

TERMINAL DISCLAIMER

Kvaerner Pulping AB, ("Kvaerner") is the owner of the entire interest in the above-identified application. The assignment was recorded on 19 August 2005, Reel/Frame: 016425/0747.

Kvaerner hereby disclaims the terminal part of any patent granted on the above-identified application, which would extend beyond the date 20 years from the filing date of US Patent No. 7,077,931, and hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period and this agreement is to run with any patent granted on the above-identified application and to be binding upon the grantor, its successors or assigns.

I am empowered to act on behalf of Kvaerner.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
